MAMIE VAN DOREN - THE LAST OF THE 3M'S

Monroe. Mansfield and Mamie Van Doren. If you worship at the altar of the pin-up sex symbols from the 1950's, you should be very familiar with this trio of "M" blonde bombshells who dominated the movies during that era. Most people have heard of the first two "M's" - but many people have unfortunately forgotten or never knew the third: Mamie Van Doren.

Unlike 99% of the iconic blondes from past decades, Ms. Van Doren (as of this writing in 2020!) is still very much alive at age 89. OMG. What a survivor - this lady defines the word. It's great that I can still speak about her in the present tense, unlike most of my "retro" articles that are written in "was" or "used to be" past tense wording. But not for Mamie! And from what I learned about her, she's a totally living in the "here and now" babe who maintains a Facebook page, a Twitter account and a fascinating blog about her life and opinions. She isn't stuck in a hazy sex symbol past of faded glory! She's outspoken, well informed, and speaks her mind, regardless of whether it's "politically correct" or not! And she uses the "eff" word, too!

So, who is Mamie Van Doren? Well, she wasn't born Mamie Van Doren. Her real name is Joan Lucille Olander. She acquired her stage name in 1953 when Universal studios signed her for a movie contract which coincided with the inauguration of President Eisenhower.

His wife, Mamie, was quite popular, so Universal figured it would be a good choice. Frankly, the name "Mamie" never sounded very sexy to me, but hey, it obviously worked for her!

She was born in the very UNglamorous state of South Dakota on February 6, 1931. Like many of the hot ladies of that era, she's petite, standing only 5 feet 4 inches tall. Mamie has always denied having any sort of breast enlargement or implants. In those days, women were all natural! The stats on various websites say that her bra size is "42D". But we all know how those crazy Space Age 1950's "pointy" atomic bras made 42D look like 62DDDD! Va Va Voooooooooom!

It's obvious that Mamie somewhat copied Marilyn Monroe's image, just as Jayne Mansfield did. I guess you could say there was a hell of a lot of blond bombshell copying in the 1950's! But was she really just another Marilyn clone? I always felt that she had a harder edge than Marilyn and often

portrayed characters who were wild teen rebels. In reality, I found her to be her own person - quite separate and apart from Marilyn or Mansfield. Here's what she says about the comparison:

"I have never been a Marilyn Monroe wannabe. I have always been happy in my own skin!"

Her most famous movie is the 1957 cult classic "Untamed Youth" - she's a juvenile delinquent chick arrested for hitchhiking and sentenced to work on a rural Texas farm.

Ooooooeee! Bad Girls Gone Wild! If you've never seen this flick, you need to! In "Untamed Youth" Mamie was the first American actress to sing a "rock n roll" song in a movie. Other wild and campy movies include "Girls Town" where she once again portrays a prison delinquent, "Vice Raid" ('1960), and "Sex Kittens Go To College". Today, we'd call these movies "exploitation

flicks“, but back then, they were just good fun! Unlike Marilyn or Mansfield, Mamie was never offered A-list parts- she mainly got the B movies and low budget stuff. Yet, she managed to make the best of it and carved out a career. She may not have been as "big" a star as Monroe or Mansfield, but she was a major celebrity. She made over 40 films, as well as a number of record albums.

She also posed twice for Playboy in the 1960's, although she was never a Playmate.

In real life, just how wild and untamed has Mamie Van Doren been? Well, she doesn't drink or smoke., but maybe that's how she's lived to be 89! The one area of her life that's gotten a solid "workout" is in the Sex Department! How could she be a bonafide

sex symbol and not dig sex, right? That high sex drive and lust for physical satisfaction has kept Mamie youthful and full of energy!

She's always been open about sex and says that she's definitely not an "80 year old virgin"..... sex is still a part of her life. Like most of the sex symbols I've written about or researched, she dated a LOT of men over the years. And divorced a LOT of men!

She's been married a total of five times, which seems to be an occupational hazard among Blond Bombshells. However, she's happily been with Hubby Number 5 since 1979. Most of her marriages were very short, because she didn't put up with bullshit! With No. 5 it looks like she finally got it right!

I'm truly amazed by this woman's life and career. Through the 1950's, 60's, 70's, 80's, 90's and into the 21st Century, she has remained a part of the entertainment and artistic world. She kept working, kept performing, stayed involved and upbeat. even when the only roles she was offered were low budget sci fi flicks . She could easily have become bitter, depressed and drowned her sorrows with drugs and booze like Monroe or Mansfield. But that wasn't for Mamie. She's a different sort of person.

Her last credited role was in the 2002 movie "Slackers". And who knows ? She just might do another movie if it captures her imagination. She also says she's working on a sequel to her 1987 autobiography, "Playing The Field" because her publisher back then forced her to leave out a lot of juicy Hollywood gossip that she now wants to spill! I bet she has some sizzlin tales to tell!

I think the best and most fitting way to end this article is with one of Ms. Van Doren's own quotes:

"I came to Hollywood determined to follow in Jean Harlow's footsteps. but I was determined not to die young. My hope was to endure. And endure I have."

Well, amen to that sister! You have definitely endured - with more adventures ahead!

HEADLINER

TIFFANY CROSS

Her story.

Tiffany D. Cross (born February 6, 1979) is an American journalist, television personality, political analyst, and author. She is the host of *The Cross Connection*, a Saturday morning MSNBC show.

Cross was born in Ohio. She grew up between Cleveland, Ohio and Atlanta, Georgia. When she was a teenager, she wanted to be the "brown Murphy Brown".

She attended Clark Atlanta University where she majored in Mass Communications with an emphasis on radio, television, and film.

Cross' first journalism job was as a reporter at an Atlanta radio station. Eventually, she worked for CNN as an associate producer in the 2000s.

She was also the Washington, D.C. bureau chief for BET Networks. She later became a resident fellow at the Harvard Kennedy School's Institute of Politics.

Cross also made regular appearances on MSNBC, most notably on *AM Joy* with Joy Reid.

In July 2020, her book *Say It Louder: Black Voters, Our Voices, and the Shaping of American Democracy* was published.

That same month, Joy Reid's new weekday show, *The ReidOut* started and Cross became one of a handful of rotating guest hosts of *AM Joy*.

As of August, Cross, Jonathan Capeheart and Zerlina Maxwell were being considered for the weekend slot by MSNBC.

Months later, in December, Cross was named host of a new, two hour show on MSNBC, **Cross Connection**, replacing Reid's *AM Joy* Saturday slot, with Capeheart taking the Sunday slot and Maxwell hosting her own show on NBC Peacock.

No stranger to the campaign trail, Tiffany not only covered campaigns but worked on them as well.

She has lent her expertise to numerous local, state, and federal candidates as well as issue campaigns across the country. Serving as a senior advisor to one of the country's largest labor organizations, one of Tiffany's many tentacles was organizing all communities of color on both a local and national level.

Using her media background, Tiffany has helped shape the narrative around issues, individuals, and ideologies.

MISS DAISY DEVILLE

THE ENEMY WITHIN

MY RANT - This post is not open for debate. I have listened to everyone else's hatred, rhetoric and outright lies for the past four years, so now I am having my say. If you don't like it you know where the delete button is. Let me be clear, I am not a Biden fan. I think he is corrupt, a liar, a racist bigot, is in bed with China and probably suffering from dementia.

Fact check - The only thing that TFM could find was a statement that Biden made in 1973 that the two party system was "good for the negro," which is suspect considering the language used back in the 70s. As far as corruption we could not find any information for legitimate news sources that could substantiate this claim. The Ukraine story Politifact found that that Biden advocated with his son's interest in mind but as a position of the U.S. government. With China, Biden accused the Chinese of stealing U.S. technology. Biden said that the theft increased under the Trump administration and Politifact found that to be mostly true. Biden information came from a 2019 report from the California cybersecurity company FireEye.

He has done nothing to improve anything in his 47 year career.

Fact check

- as Vice President, oversaw implementation of the American Recovery and Reinvestment Act in 2009, then the biggest economic recovery plan in our country's history. helped rebuild the American economy and save the American auto industry, lifting us out of the Great Recession
- brokered Senate negotiations between Democrats and Republicans to pass the Budget Control Act of 2011 and avert a federal government shutdown
- led a review in 2014 of federal employment and training programs that reach more than 21 million people per year, retooling \$1.5 billion in grants to align with job-driven training best practices
- helped pass Obamacare (Affordable Care Act), guaranteeing health coverage for Americans with pre-existing conditions and 20 million who were previously uninsured
- helped launch a "Cancer Moonshot" initiative in 2016 to accelerate efforts to prevent, and treat cancer
- sponsored the original Violence Against Women Act in 1994, leading to a major decline in intimate partner violence, from 2.1 million victims in 1994 to 907,000 in 2010
- oversaw the confirmation of Ruth Bader Ginsburg as the second woman in the history of the Supreme Court in 1993
- as chair of an all-male Senate Judiciary Committee, advocated the addition of Senators Dianne Feinstein and Carol Moseley Braun

- cosponsored proposed legislation to curb greenhouse gas emissions in 2007
- called for American participation in UN climate negotiations in 2005
- introduced one of the Senate's first climate change bills, in 1986, leading to the creation of a task force on global warming
- utilized his experience working across the aisle to establish a pragmatic plan to cut carbon emissions and secure a sustainable future
- oversaw disbursement of \$90 billion for clean energy as part of the 2009 Recovery Act. solar power increased 20x between the years 2008 and 2016
- secured the passage of arms limitation agreements in 1979 between the United States and the Soviet Union, reducing the risk of global nuclear disaster
- advocated for economic sanctions against South Africa's apartheid government
- pushed for U.S. intervention in the Yugoslav Wars of the 1990s, ending ethnic cleansing and bringing peace to the region
- supported expanding NATO to include Warsaw Pact nations Poland, Hungary and the Czech Republic, advancing the cause of an undivided, democratic and peaceful Europe
- served as primary sponsor of the PROTECT Our Children Act of 2008, helping law enforcement agencies to investigate and prosecute child predators
- sponsored and introduced the Criminal History Background Checks Pilot Extension Act of 2008, allowing volunteer organizations – such as children's sports groups – to obtain national and state criminal history background checks on their volunteers

That's not all but I think that's enough.

But what has Trump done in the past 4 years? The arrogant in the White House brokered 4 Middle East Peace Accords, something that 71 years of political intervention and endless wars failed to produce.

Fact check - Middle East analyst at the Carnegie Endowment for International Peace, told my colleagues. "It's an example of Trump slapping his name on a hotel that was essentially already built." Basically, according to the Washington Post, there was not conflict in these regions that would require any kind of Peace treaty. In fact, the Kosovar opposition found that Trump declaring the day as a "great day for the Middle East," an insult to Kosovo's European and secular character.

The "buffoon" in the White House is the first president that has not engaged us in a foreign war since Eisenhower.

Fact check - Not True. He actually joins Nixon, Carter and Ford with that distinction.

The "racist" in the White House has had the greatest impact on the economy, bringing back jobs and lower unemployment to the Black and Latino population of ANY other president. EVER.

Fact check - What he's not saying is that the unemployment rates for all both groups have gone up since reaching record low levels. The median weekly earnings of Blacks and Latinos is presently 21% and 23% lower than that of Caucasians. At the end of the Trump administration the unemployment rate of Latinos and Blacks was, 16.7% and 16.1%, respectively, while the Caucasian rate was 12.%. Obama end with 6.8% for Blacks and 4.9% for Hispanics. Trump tried to take credit for Obama's accomplishments.

The "liar" in the White House has exposed the deep, widespread, and long standing corruption in the FBI, the CIA, the NSA, and Republican and Democratic parties.

Fact check - Not true. Trump was at war with these organizations in an attempt to squash the Russia investigation.

The "buffoon" in the White House turned NATO around and had them start paying their dues.

Fact check - He totally misunderstood NATO funding. According to the Washington Post "Trump is simply wrong on direct funding and is imprecise and possibly out of date on indirect funding." There are two types of funding for NATO: direct funding and indirect funding. Direct funding, for military-related operations, maintenance and headquarters activity, is based on gross national income — the total domestic and foreign output claimed by residents of a country — and adjusted regularly. Since 2006, each NATO member has had a guideline of spending at least 2 percent of gross domestic product on defense spending. At a 2014 summit, responding to Russian aggression in Ukraine, NATO members pledged to meet that guideline by 2024. Note the date — that was three years before Trump became president, and a year before he even announced he was running for president. Yet he persistently claims credit for actions that were underway before he became president — and consistently misleads about where NATO funding was headed before he became president.

The "fool" in the White House neutralized the North Koreans and stopped them from sending missiles toward Japan and threatening the West Coast of the United States.

Fact check - June 30, 2019: U.S. President Donald Trump meets with North Korean leader Kim Jong Un at the DMZ and becomes the first sitting U.S. President to set foot in North Korea. The leaders agree to resume negotiations and say working level talks will restart within the next several weeks.

July 25, 2019: North Korea [tests](#) two short-range ballistic missiles believed to be the KN-23. North Korea reports that the tests are successful.

The "clown" in the White House fast tracked the development of multiple COVID vaccines...

Fact check - The two companies that came out with the vaccines were not part of the WARP speed program.

The italics are from a Facebook post that a good friend of mine Jonathan S. posted.

My mother read the post and said that it was "sick."

I started this magazine with the intension of exposing the lies that Fox News told.

The Nazis effectively used propaganda to win the support of millions of Germans in a democracy and, later in a dictatorship, to facilitate persecution, war, and ultimately genocide. The stereotypes and images found in Nazi propaganda were not new, but were already familiar to their intended audience.

The audience now are conservatives and the Nazi's are the Republican Party.

Now that might sound like hyperbole but just like Republican Mitt Romney said "The best way we can show respect to the voters that are upset, is by telling them the truth."

Adolph Hitler said "task is not to make an objective study of the truth, in so far as it favors the enemy, and then set it before the masses with academic fairness; its task is to serve our own right, always and unflinchingly."

Who does that sound like?

Biden said during his inauguration that many lies have been told for power and profit.

That is an accurate description of Fox New, One American New, Rush Limbaugh and Newsmax just to name a few.

It is this type of "news" aka conservative propaganda that caused an insurrection at the Capitol of the United States of America.

We are no longer United.

No longer trusted.

No longer that shining light on a hill.

No longer the country that other countries look to as an example of democracy.

Was the misinformation worth it?

JOKES

WHY DID I GET DIVORCED?

WELL, LAST WEEK WAS MY BIRTHDAY. MY WIFE DIDN'T WISH ME A HAPPY BIRTHDAY. MY PARENTS FORGOT AND SO DID MY KIDS. I WENT TO WORK AND EVEN MY COLLEAGUES DIDN'T WISH ME A HAPPY BIRTHDAY. AS I ENTERED MY OFFICE, MY SECRETARY SAID, "HAPPY BIRTHDAY, BOSS!" I FELT SO SPECIAL. SHE ASKED ME OUT FOR LUNCH. AFTER LUNCH, SHE INVITED ME TO HER APARTMENT. WE WENT THERE AND SHE SAID, "DO YOU MIND IF I GO INTO THE BEDROOM FOR A MINUTE?" "OKAY," I SAID. SHE CAME OUT 5 MINUTES LATER WITH A BIRTHDAY CAKE, MY WIFE, MY PARENTS, MY KIDS, MY FRIENDS, & MY COLLEAGUES ALL YELLING, "SURPRISE!!!" WHILE I WAS WAITING ON THE SOFA... NAKED.

A LITTLE GIRL AND BOY ARE FIGHTING ABOUT THE DIFFERENCES BETWEEN THE SEXES, AND WHICH ONE IS BETTER. FINALLY, THE BOY DROPS HIS PANTS AND SAYS, "HERE'S SOMETHING I HAVE THAT YOU'LL NEVER HAVE!" THE LITTLE GIRL IS PRETTY UPSET BY THIS, SINCE IT IS CLEARLY TRUE, AND RUNS HOME CRYING. A WHILE LATER, SHE COMES RUNNING BACK WITH A SMILE ON HER FACE. SHE DROPS HER PANTS AND SAYS, "MY MOMMY SAYS THAT WITH ONE OF THESE, I CAN HAVE AS MANY OF THOSE AS I WANT!"

LITTLE SALLY CAME HOME FROM SCHOOL WITH A SMILE ON HER FACE, AND TOLD HER MOTHER, "FRANKIE BROWN SHOWED ME HIS WEENIE TODAY AT THE PLAYGROUND!" BEFORE THE MOTHER COULD RAISE A CONCERN, SALLY WENT ON TO SAY, "IT REMINDED ME OF A PEANUT."

RELAXING WITH A HIDDEN SMILE, SALLY'S MOM ASKED, "REALLY SMALL, WAS IT?" SALLY REPLIED, "NO, SALTY." MOM FAINTED.

AFTER PICKING HER SON UP FROM SCHOOL ONE DAY, THE MOTHER ASKS HIM WHAT HE DID AT SCHOOL. THE KID REPLIES, "I HAD SEX WITH MY TEACHER." SHE GETS SO MAD THAT WHEN THEY GET HOME, SHE ORDERS HIM TO GO STRAIGHT TO HIS ROOM. WHEN THE FATHER RETURNS HOME THAT EVENING, THE MOTHER ANGRILY TELLS HIM THE NEWS OF WHAT THEIR SON HAD DONE. AS THE FATHER HEARS THE NEWS, A HUGE GRIN SPREADS ACROSS HIS FACE. HE WALKS TO HIS SON'S ROOM AND ASKS HIM WHAT HAPPENED AT SCHOOL, THE SON TELLS HIM, "I HAD SEX WITH MY TEACHER." THE FATHER TELLS THE BOY THAT HE IS SO PROUD OF HIM, AND HE IS GOING TO REWARD HIM WITH THE BIKE HE HAS BEEN ASKING FOR. ON THE WAY TO THE STORE, THE DAD ASKS HIS SON IF HE WOULD LIKE TO RIDE HIS NEW BIKE HOME. HIS SON RESPONDS, "NO THANKS DAD, MY BUTT STILL HURTS."

A MAN WAS HAVING PREMATURE EJACULATION PROBLEMS SO HE WENT TO THE DOCTOR. THE DOCTOR SAID, "WHEN YOU FEEL LIKE YOU ARE GETTING READY TO EJACULATE, TRY STARTLING YOURSELF." THAT SAME DAY THE MAN WENT AND BOUGHT HIMSELF A STARTER PISTOL AND RAN HOME TO HIS WIFE. THAT NIGHT THE TWO WERE HAVING SEX AND FOUND THEMSELVES IN THE 69 POSITION. THE MAN FELT THE URGE TO EJACULATE AND FIRED THE STARTER PISTOL. THE NEXT DAY HE WENT BACK TO THE DOCTOR WHO ASKED HOW IT WENT. THE MAN ANSWERED, "NOT WELL. WHEN I FIRED THE PISTOL, MY WIFE SHIT ON MY FACE, BIT THREE INCHES OFF MY PENIS, AND MY NEIGHBOR CAME OUT OF THE CLOSET WITH HIS HANDS IN THE AIR."

Sexual Astrology

JANUARY 2021

ARIES - Moments like this cannot be repeated and, without a doubt, constitute a great opportunity to develop and improve your own psychological qualities. Sexuality is not only a release of energy, but to understand yourself through exchange with the other. The act of love is an event of self-understanding and personal self-realization.

TAURUS - Understand that being together sexually is an experience that takes shape on three different levels (physical, emotional and mental). Real sexuality is a process that occurs simultaneously on those three levels and should energize the physical as well as the emotional and mental energy.

GEMINI - Avoid egocentric attitudes and learn to share your decisions with your mate, as you now tend to act on your own without consulting your loved one beforehand. Your companion could be annoyed, because you are speeding up the pace too much in matters that actually relate to both of you. Thus, there could be a case in which you launched some initiative without having counted on him/her sufficiently.

CANCER - If you are in love with someone and up until now have not expressed your feelings, it probably would be a good time to do it, provided that you are sure and know for certain that your selection is right. If you already have someone or are married, use this chance to reaffirm your love for them, since that revitalizes the feelings for both of you.

LEO - Changes can be quite rapid and sudden, and you will have to exercise self-control and be quite flexible to keep the reins on these circumstances. You now have a strong need for personal freedom and indifference.

VIRGO - Without a proper outlet, you may have to deal with too much intensification or with a certain lack of control over your sexual and sentimental life. Loyalty is fundamental now, since only this will deepen your relationship sufficiently and helps to surpass the tests or impediments that could emerge in your sensuous relationship.

LIBRA - You now could feel a great desire for amusement and expansion, and may even want to escape from your daily grind going to a dance with your mate, dining out, going to a club, or preparing an exceptional weekend. Obviously, there is nothing wrong with it in general, unless these kind of activities are carried to excess.

SCORPIO - Don't forget that in love relationships there has to be revitalization from day to day that should not be neglected, but is advisable to maintain continual attention and concentration.

SAGITTARIUS - You are very family oriented now and have a great sense of responsibility toward your loved ones, such as the members of your paternal family or your conjugal family. You want to protect, benefit and advise your family, but this should not be carried to the extreme, since you have to understand that they also have to learn from their own experiences.

CAPRICORN - Uncontrolled sexuality is precisely the opposite of happiness and fulfillment in the relationship of a couple. On the other hand, high and conscious sexuality inclines to personal self-realization and complete satisfaction in the relationship.

AQUARIUS - Your concentration and understanding with your loved one is intensified now, and this is because getting to know each other has progressively increased and matured. Each of you see the other as a human being in evolution that has certain goals to fulfill in life. Because of this, both of you are supported in the accomplishment of your individual mission, which at the same time increases the level of confidence in your relationship.

PISCES - It is better to stay more bound to reality in your affectionate relationships, in connection with friendships, or in relation to your family life. Above all, in regard to your affectionate mate, it is preferable to maintain a continuous, fluent and very close communication to keep abreast of your companion's feelings. Thus, each of you should always know what the other is experiencing, otherwise your relationship would be too much of a figment of each others imagination, and not reality.
